Mr. Kirill Bogouslavski  
President of the Ascent Russian Orphan Aid Foundation

Dear Kirill:

We found out about your fund and its work from the internet, and we decided to ask for your help. Our Children's Home is situated in the city of Nakhodka, Primorskiy Region. There are 96 children between the ages of 3 and 17 living at our Children's Home. These children are either orphans or children that were left without parental care.

There are two workshops at our Children's Home – a carpentry shop and a sewing shop, in which we teach the children needlework and crafts in order to facilitate their adaptation in society later in life. Unfortunately, all of the tools in the two shops are hand tools, as our institution cannot afford to buy any electric ones. Therefore, we are requesting your help in solving this issue. If possible, please assist us with buying the following tools:

<b>Tool</b>	<b>Quantity</b>	<b>Price in rubles</b>
